Dance Lesson: EC Swing, Instructor: Sara Andrews

Sara Andrews has been ballroom dancing for a number of years. As an amateur competitor, she was undefeated in all four styles of ballroom dancing. She started teaching ballroom lessons 15 years ago. Sara performs with her partner and competes with her students in the Pro-Am category throughout the country. She currently teaches as an independent teacher at The Dayton Dance Centre in Miamisburg, OH. Sara is also a professional figure skater and has been teaching freestyle skating, ice dancing, and pairs skating for many years. Sara is a gold medalist in ice dancing. She also is a flutist and subs with the Dayton Philharmonic Orchestra.

The Dayton Dance Centre (www.dayton-dance-center.com) is located in Historic Downtown Miamisburg on the third floor of 7 E Central Avenue, Miamisburg, Ohio, 45342. The ballroom is open 7 days a week for private lessons and individual practice.

For new visitors, please contact Sara Andrews (owner/operator/dance instructor) for more information. You may call or text Ms. Andrews at (937) 949-0219, or you may email her at thedaytondancecentre@gmail.com

From the Editor

Articles of interest and information are appreciated. Anyone is welcome to submit information about their dances for possible publication. Submissions will be published only on a space available basis, at the discretion of the editor, and may be edited. Dances or other events whose dates conflict with the dates of any of the three clubs' dances will have a one line listing only. In order to be included in the newsletter for the following month, please use the guidelines listed below:
E-mail the information to the address below. Either place the information in your message or provide it as an attachment to the e-mail in Microsoft Word (Other formats may be acceptable). As an alternative, you can mail the information, legibly written, to the editor at the address below. Please include your telephone number and e-mail address, if applicable, for clarification and/or verification of information. This will help to prevent publishing errors. Information published is believed to be correct and accurate, however changes can and do occur, and errors or omissions can be made. Every attempt will be made to prevent this from occurring. Thank You.
